

**Amendment
to a Fish and Wildlife Service Manual Chapter**

Series: Sustainability
Part 565: Sustainable Practices
Chapter 1: Implementing Sustainable Practices, Exhibit 2, Key Programmatic Practices that Promote the Service's Sustainability Goals
Amendment Number: 1
Purpose: This amendment adds managing Ozone Depleting Substances (ODS) to the table in Exhibit 2.

Action:

In Exhibit 2, add the following at the end of the table:

Q. Ozone Depleting Substances (ODS)	<ul style="list-style-type: none">• Identify and reduce the use and release of ODS that may result in significant harm to human health or the environment;• Maximize the use of safe alternatives to ODS as approved by EPA programs;• Phase out existing equipment containing ODS consistent with its normal life;• Properly dispose of ODS that was removed or reclaimed from facilities or equipment, including disposal as part of a contract, trade, or donation; and• When disposing of appliances or equipment containing ODS, ensure that the disposal will occur at a landfill that is properly permitted to receive such waste.
